

## American Constitution Society 2007 National Convention

### The National Student Leadership Retreat

will precede the Convention on

Thursday, July 26.

We are pleased to announce that the **2007 ACS National Convention**

will take place the weekend of

**July 27-28, 2007  
in Washington, DC.**

Please save the date; this year's Fifth National Convention will again feature exciting speakers, rigorous debate and discussion of important legal and policy issues and worthwhile networking opportunities. Additional information about events, speakers and registration will be provided over the coming months.

Among the highlights of the Fifth National convention will be the finals of ACS's Constance Baker Motley National Moot Court Competition in Constitutional Law. ACS is pleased to announce that Boies, Schiller & Flexner LLP has become the National Sponsor of the competition, and thanks the firm for its generous support.
