A CHORUS LINE

The Center's unique programs confront some of life's most critical problems:
family violence and poverty among single-parents and their children. Our efforts strengthen families and empower low-income individuals to take greater control of their lives.

Your support can make a difference.

Proceeds will help support the Center's educational, legal and advocacy programs.

For information on tickets and sponsorship opportunities email events@hbcfl.org
or call (213) 388-7505 ext 317.
